Welcome

Welcome to the Natural Alternatives program, one of the Alternative Health Care Programs from Aetna*.

Alphabetical Listings of Enrolled Providers:

This listing of enrolled providers is sorted as follows:

- a. By state (if applicable)
- b. By county, major city or borough as applicable
- c. By specialty (e.g. Acupuncture, Chiropractic, Massage Therapy and Nutritional Counseling)

Individual enrolled providers are listed alphabetically by specialty.

This listing includes providers participating in the Natural Alternatives program as of the date of publication.

How the program works:

Aetna has negotiated discounted fees for certain health-related services. When you visit one of the enrolled providers, you simply pay this negotiated fee. You do not need a referral and you do not have to submit any claim forms.

Services Available:

Four basic types of services are available to you:

Type of Service	Negotiated Fee
Chiropractic Manipulation Services	\$30 per manipulation visit
Acupuncture Therapy Services	\$30 per acupuncture therapy visit
Massage Therapy Services	\$20 per 1/2 hour service or part thereof
Nutritional Counseling Services	\$20 per 1/2 hour service or part thereof

If you receive services that are not listed in the chart, then you will need to pay the full fee charged by the provider for the service. Also, if you schedule massage therapy or nutritional counseling services for greater than 1/2 hour, you pay \$20 per 1/2 hour of services. Finally, if any services are available as covered services under your Aetna health benefits plan, you should use any benefits available under the health plan before using the Natural Alternatives program. This will result in maximum savings for you.

Member Services:

If you have questions about the Natural Alternatives program, or any of the Alternative Health Care Programs from Aetna, you can call the toll-free Member Services number on your ID card.

Natural Alternatives is a discount pass-through program, which may be added to any plan benefits.
